Earlier tonight, I sent this email since I didn't hear from the SEC since November 2022. I guess maybe it's because I am a foreigner.

If you read carefully, you will see that I first sent my request under FOIA and they changed it to a FOPA.

So, under FOPA I can not get a copy of the SEC report I submitted in 2015, but Mr. Lehman can get a copy under FOIA? And I get a copy under FOIA of other people's submissions but not my own?

Genius...

Dear Ms. Churchman,

If and only if I am not mistaken, I never heard from the SEC since I submitted my request which "was changed from a Freedom of Information Act request (23-00270-FOIA) to a Freedom of Information Act /Privacy Act request and assigned a new number (23-00030-FOPA)."

Could you please let me know what is happened and/or what happened?

Thank you.

Best regards,

Vincent Le Corre

Mr. Le Corre,

Thank you for the verification of identity information. Since you are requesting your own records, your request was changed from a Freedom of Information Act request (23-00270-FOIA) to a Freedom of Information Act /Privacy Act request

and assigned a new number (23-00030-FOPA). Note, all correspondence concerning this request will be processed under 22-00030-FOPA.

Further, in response to your November 9, 2022, email (attached) to Ms. Smith concerning the misspelling of your last name and what might have happened to your complaint back in 2015. The system has been amended to reflect the correct

spelling to "Le Corre". We will consult with the program office that receives whistleblower complaint for any records regarding yourself (Vincent Le Corre), we will advise you of our findings as soon as we have a response.

In the interim, please contact me if you have any questions.

Dear Ms. Churchman,

I completed the form "Request for Individual Access to Records under the Privacy Act" by following the link you provided.

1. I was asked an SEC Request No. and I entered 23-00030-FOPA. I want to clarify which number I entered since I was also given another number which is 23-00270-FOIA.
2. Date signer is November 10, 2022. I can't enter the time nor the time zone. I am currently in China and I hope there won't be any technical glitch since it's currently November 9, 2022 in Washington D.C.

In addition, please respond to this email and attach a copy of a government issued photo identification (e.g. driver's license, passport) in order for this office to verify your identity.

There 5 files attached to this email:

1. carteconsulaire.png: my *carte d'immatriculation consulaire* issued by the French Embassy in China. Note that it doesn't display my 2nd first name (kind of what you might call in the United State a Middle name).

2. FrenchID.jpg: my French ID card. Expired.
3. IMG\_0002.jpg: my French passport. Expired.
4. My Chinese foreign permanent resident ID card (what some people call a green card in the United States): It shows my French name and my Chinese name.
5. My Chinese driver's license: it show my Chinese name only but there is my address in Taiyuan city, Shanxi province, China.

I hope this is enough and it's all I have I think.

Thank you for your help.

Best regards,

Vincent Le Corre
